## Volunteers are the key

A successful event in our community takes shape every year and comes off without a hitch, the Josephburg Chicken Supper is the gem of the community. Ever wonder how?

With hundreds of volunteers behind the scenes, coating chicken, mixing juice, chopping onions, hauling tables... the list goes on. This event is homemade and it takes a small army of dedicated individuals to pull it off.

JAS is greatly assisted by many in the community and would like to take this opportunity to *thank all who take time out of their schedule to help with the chicken supper, including our key sponsor, Shell Canada Ltd.* Strengthening our community through our volunteer involvement benefits everyone.

We appreciate your help.

-Chris Allam, President
