Jake strives to write and play with a focus of storytelling and messages that he hopes his audience can relate to, all packaged in foot stomping, high energy performances with The Sturgeon River Boys.

Their music offers a broad mix of original songs as well as uniquely interpreted tunes and ballads, receiving endless accolades from fans and critics alike.

Terry Barber

With an extraordinarily broad vocal range and natural fluency in many musical styles, countertenor **Terry Barber** has been featured on some of the world's most storied stages and has worked with many of the music industry's most prestigious figures. This performance will be an entertaining exploration through light and musical theater, classical, and popular works with an emphasis on the music of Andrew Lloyd Webber.

Martin Kerr

February 11, 2024

Often compared to James Taylor and John Denver, **Martin Kerr's** powerful voice and songwriting touches hearts and have earned him high praise. His captivating stories and stage presence have made him a hit at major folk festivals, grand concert halls, and intimate house concerts. When Covid-19 cancelled all his touring and festival plans, he launched Stay Home Street Concerts as a way of continuing to bring music and joy to the people who needed it the most.

James Keelaghan & Jez Lowe

James Keelaghan is clearly one of Canada's finest from the folk and roots music world and has established himself the world over as a writer and performer of considerable skill. **Jez Lowe** is from County Durham in North East England, and is widely acknowledged as something of a national treasure on the UK folk circuit and beyond. These two men have come to tour together, sing together and even write together. Together, Keelaghan and Lowe make magic.

Trevor Panczak

April 7, 2024

Trevor Panczak is southern Alberta's gentle giant of country music. He is a singer, songwriter, and country entertainer with a smooth voice and charming stage presence. His laid-back humour and clever lyrics are sure to capture your heart. There's just something honest, compelling and immediately likeable about Trevor Panczak and his music. This show is a mix of Don Williams' and Trevor's own original songs that are about real people, real situations, and real feelings.
