

Awards

Annually the Josephburg Agricultural Society awards three scholarships based equally on academic achievement and community involvement. One of the \$1500 scholarships will be awarded to a student enrolled in a program leading to a career in agriculture. Another \$1500 scholarship in memory of our longstanding Director and JAS volunteer, Doug Maschmeyer, will be awarded. In all, four \$1500 scholarships will be awarded. No individual student will be awarded more than one scholarship in any year.

Eligibility

The scholarships will be available to any post-secondary student commencing or currently enrolled in any year of an accredited program, degree, or diploma. There is no age limit. Applicants are allowed no more than three successful applications.

Selection Criteria

Children of directors, former directors, permanent employees and members of the Josephburg Agricultural Society are given first consideration, but not exclusively chosen. Academic achievement and local community involvement are determining factors. In regards to the Doug Maschmeyer Scholarship, mentoring and local volunteering will be key factors in choosing a deserving applicant.

Prerequisites

The applicant must meet the required prerequisites acceptable to the receiving institution. Prior to the deadline, a copy of Alberta Transcript of High School Achievement (photocopy acceptable) must be forwarded to the Scholarship Committee. If the applicant has completed some university or college, a record of academic achievement from the institution is required.

References

Candidates must provide two currently dated reference letters pertaining to the criteria for selection (academic achievement and community involvement). Candidates may also be personally interviewed by the Scholarship Committee.

Essay and Video

All candidates must submit a 500 word essay explaining what volunteerism means to them and how they have incorporated the spirit of volunteerism into their own lives. For applicants to be considered for the Doug Maschmeyer Scholarship, their essay must also explain what mentorship means to them. All candidates must also submit a video of not more than 90 seconds in length. The video should portray the candidate's community involvement, academic achievements, and career goals. The videos submitted by students who are awarded scholarships may be viewed at a Josephburg Presents Dinner Concert so community members have opportunity to acknowledge and congratulate the students. Videos should be m4v, .mp4, or .mov. A signed release form will be required.

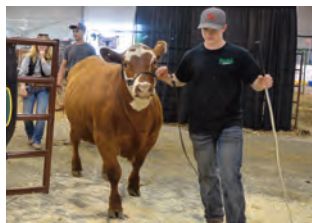

DEADLINE - SEPTEMBER 1st

Two-page application form, two reference letters, a copy of Alberta Transcript of High School Achievement and/or University or College Academic Achievement, proof of attendance at said institution and 500 word essay must be submitted to the Josephburg Agricultural Society.
